1. Purpose

The services we provide are governed by a Quality Service Charter that serves to inform our customers of the level of service that they should expect to receive. This reflects our commitment, and that of the Malta Public Service, to the delivery of a Service of Excellence by embracing the 4 Pillars of the Quality Model upon which the Public Service is based:

Voice

We listen to the customers' voice and are open to their criticism regarding the service we offer and to their ideas as to how we can improve our service for them. We consider the ideas received from our customers, and strengthen the scheme of ideas forwarded by our employees;

Design

We develop policies and processes which reach the levels expected by our customers;

Delivery

We deliver a service which is timely, of a high standard, easily accessible and which can reach the customer with ease;

Accountability

This is intrinsic to a service which guarantees honesty towards the customer. Accountability also means loyalty towards the customer making use of our services, which translates into and is manifested in these same basic principles we want to uphold.

2. Who we are & What we do

MEUSAC (the Malta-EU Steering and Action Committee) was re-activated in 2008 and established as an agency in terms of the Public Administration Act (Cap. 497) by Legal Notice 154 of 2017.

MEUSAC assists organisations to tap into EU funding, involves civil society in the EU's decision-making processes, and informs citizens on the latest developments in the EU, including policies, laws, initiatives, rights and obligations.

The agency provides latest information on upcoming EU funding opportunities, with a clear understanding of funding goals and guidelines and has helped various organisations submit competitive project applications to implement their dream project.

MEUSAC provides general information on the EU by promoting active citizenship and creating various initiatives and events for citizens to know more on the EU and to air their views to help shape EU policies and laws that directly affect them.

We also host a Europe Direct Valletta – one of many walk-in information centres found across the EU, serving as an additional platform to MEUSAC's information services.

Our Mission

To deliver an efficient and value-added service to citizens whether they are applying for European Union funding, providing their opinion on European Union proposals or enquiring about the European Union's benefits and opportunities.
